Venus Industries

PET JAR & BOTTLE CAPS

Venus Industries

Established in the year 2000, at Daman (India), we, "**VENUS INDUSTRIES"** are one of the distinguished manufacturer and supplier of Pet Jar Caps & Plastic Moulded Articles. These products are precisely fabricated using the premium grade raw material and advanced technology under the supervision of talented personals, in order to meet with the set industry standards. Our offered products are extensively admired by clients due to their unique features. Furthermore, clients can avail the offered products from us at the most reasonable prices.

Being a quality-centric firm, we strive hard to offer premium quality products to our precious clients, in order to provide them maximum satisfaction. In our team, we have skilled and very experienced quality controllers who monitor the entire production process right from the procurement of raw material till the final dispatch of the products. Moreover, our company has built strong reputation in the industry for delivering the best quality products, using latest techniques. Our organization's prime objective is to have satisfied customers and to achieve this, our professionals make honest efforts. Most importantly, we take into consideration the precious feedback of our clients in order to enhance our quality. Further, we have adopted customer-centric approach, ethical business policies, unbiased dealings and easy payment modes that enable us to touch the pinnacle of success.

Quality products and timely delivery is the main aim of the company.

All products available in custom size and colour as per your order.

With Best Regards
Sushil Agarwal
(Proprietor)
